

NOTICE

There is no requirement that debtors and/or their attorneys provide advance notice to the chapter 13 standing trustee office regarding the need for a language interpreter at the 341 meeting.

Nonetheless, it would be greatly appreciated if debtors and/or their counsel would attempt to provide the chapter 13 standing trustee office with as much notice as possible. Being able to anticipate the need for an interpreter will help us in scheduling and maintaining a smooth flow of hearings.

Thanks.
